

Applications:

Provides flow control and isolation valve for pressure gauges and transmitters.

Specifications:

■	Body	Forged Brass , SS
■	Gasket	Teflon
■	Connection	1/4"NPT Male x 1/4"NPT Female, 1/2" or other threads size available
■	Handle	Zinc plated steel, red plastic covered
■	Process Temperature	-9F to 212F (23C to 100C)
■	Maximum Operation Pressure	400Psi (2760 kPa)
